POSITION SUMMARY

The Marketing Manager support the efforts of the Foundation for the Global Compact to attract more businesses to join the UN Global Compact initiative and to contribute to the delivery of the UN Sustainable Development Goals (Global Goals) by generating new prospects, retaining existing companies and launching new offerings.

The United Nations Global Compact is undergoing a strategic transformation to enable it to mobilize a growing global movement of responsible companies and organizations to create the world we all want. To do this, the Compact is gearing up its efforts to support businesses through tools, training, and other measures, and to provide them with opportunities — including through partnerships, campaigning and advocacy — to efficiently shape their strategies and operations to help deliver the Global Goals. The Marketing Manager will be responsible for attracting more responsible businesses to join the movement through business-to-business marketing practices and through all channels with digital being the lead.

As a Marketing Manager, you will work within the marketing team to develop and execute marketing plans, campaigns, and content that communicate our key value propositions, generate new prospects and retain existing participants. The role will support the growth agenda and help lead the UN Global Compact through the change required to attract and retain more active companies committed to the global movement.
