HELP US DELIVER THE SUSTAINABLE DEVELOPMENT GOALS

The Sustainable Development Goals (SDGs) are the collective plan of global commitments required to end extreme poverty and hunger, tackle climate change and create a more socially inclusive world by 2030.

This is a significant multi-stakeholder effort agreed at the UN which cannot be delivered by Governments and Civil Society alone. The actions and innovations of higher education and Youth are critical.

UN Global Compact is the world's largest corporate sustainability initiative with over 13,000 participating companies in 163 countries, and more than 70 Local Networks around the world.

We enable and support companies across all sectors, geographies and sizes in their efforts to help meet the SDGs. Today 75% of participating companies have activities to advance the SDGs. But we are an ambitious team, energized behind our mission of mobilizing a global movement of responsible companies and organizations to create the world we want.
