POSITION SUMMARY

The United Nations Sustainable Development Goals (SDGs) are the collective plan of global commitments required to end extreme poverty and hunger, tackle climate change and create a more peaceful, just, and equitable world by 2030. This is a significant multi-stakeholder effort that requires aligned collaboration among the private and public sectors, civil society organizations (CSOs) and other non-state actors.

Towards this end, the United Nations Global Compact, the world’s largest corporate sustainability initiative, with over 22,000 participants in 166 countries, and over 62 Global Compact Networks (GC Networks) and 13 Country Managers around the world, plays an instrumental role in guiding the private sector towards achieving the 2030 Agenda.

The UN Global Compact’s ambition is to accelerate and scale the global collective impact of business by upholding the Ten Principles\(^1\) of the UN Global Compact and delivering the SDGs through accountable companies and enabling environments that contribute to change. The UN Global Compact aims at spreading knowledge that companies do business responsibly and find opportunities to innovate around sustainability.

The Regional SME Engagement consultant will be supporting effective coordination of regional SME engagement initiatives in the Middle East region. The incumbent will work through the Dubai Regional Hub and coordinate and implement SME engagement opportunities by liaising closely with Country Networks and Country Managers in the region.

DUTIES AND RESPONSIBILITIES

- Liaise with UN Global Compact HQ and the Dubai Regional Hub to implement regional SME engagement initiatives including specifically rolling out the following activities:
  - **Promote the UN Global Compact SME Community**: In direct cooperation with respective Country Networks and Country Managers, promote the UN Global Compact’s high-impact, interactive learning journey for SMEs which offers a holistic course on the business case for sustainability, and guidance on how to align business strategy with the Ten Principles of the UN Global Compact;
  - **Promote the Sustainability self-assessment tool among SMEs in the region**: In direct cooperation with the respective Country Networks and Country Managers, promote the UN Global Compact’s comprehensive, sustainability assessment to be used by any-size organization, in any sector, in any country;
  - **Support Country Networks and Country Managers to identify potential partners**: In each country, lead a mapping of potential partners such as local business networks, industry associations and development agencies to leverage their networks and resources for supporting SMEs. Build local partnerships to
