Mark your calendars and join us on **16 March 2021** for [TARGET GENDER EQUALITY LIVE](#), held in celebration of International Women’s Day and coinciding with the 65th session of the Commission on the Status of Women.

We are bringing together leaders from business, government, civil society, academia and the UN to raise ambitions for a gender equal world. Now, more than ever, the concerted efforts of all stakeholders are needed to tackle systemic barriers to equality and enable women’s full and equal participation and leadership. At [TARGET GENDER EQUALITY LIVE](#), we’ll focus in on what’s working, highlighting strategies and practices from across the globe and showcasing the work of Global Compact Local Networks and partner organizations.

Join us to celebrate the diversity of talent, ideas and leadership women demonstrate every day in the workplace, across the marketplace and in their communities. And help bring more men to the discussion by forwarding on to a male colleague! [Register now »](#)

### TOP NEWS

"Having an inclusive parental leave policy has to be part of a broader commitment to diversity and inclusion and it’s really important within that that shared parental leave takes into account the variety of parenting we have in the modern world today."
